

The background image is a high-contrast, saturated photograph of a city street at night. A red taxi is visible in the lower center, driving on a road marked with a white arrow and the text 'Look Right' and '請向右'. The street is lined with buildings featuring various signs, including one with large yellow Chinese characters '德興海味'. In the foreground, two Christmas trees decorated with red ornaments are positioned on either side of the road. The overall color palette is dominated by reds, oranges, and yellows, with some blue and green from the Christmas trees and street markings.
