

AWB - African Website Builders

For Schools & Colleges

AWB Christmas Gift for Your Schools / Colleges / Centers

Dear Candidates,

We are thrilled to present a unique opportunity for 100 teachers in Uganda to learn and earn through Zylosite, a revolutionary website-building platform based in London, UK.

With Zylosite, you can generate income by building websites and teaching essential skills such as website design, online earning, and client services.

No coding experience is required, as the platform uses an intuitive drag-and-drop system that is easy to learn and use.

This initiative aims to empower you and the students you may teach, opening doors to success in today's digital-driven world.

As part of the AWB Course, you will also gain the skills needed to teach the AWB Website Building Course, allowing you to earn an income while making a meaningful impact in schools and colleges across Uganda and beyond.

To attend the class, please email us at **awbcourse@gmail.com**, and we will send you a link to join the session on **Google Meet at 8 PM**.

After completing the initial 4 lessons, we will pause for the Christmas break and resume on **5th January 2025**. By

completing all 12 lessons, you will qualify as one of the first **AWB Ambassadors**.

What Does This Mean for You?

1. **Earn by Building Websites:**

Use our **Zylo platform** to create and sell websites, earning a recurring monthly income from hosting fees.

2. **Be Featured in the Zylo Agency:**

Gain exposure and job opportunities from companies in the **UK and USA**, showcasing your skills on an international platform.

Most importantly, you'll be paid to teach AWB courses to students across Uganda and Africa, significantly expanding both your income and your impact.

Why This Matters

Did you know that less than 20% of African businesses have an online presence? This means countless opportunities are being missed. By

equipping yourself and your students with website-building and online business skills, you can help bridge this gap, making a real difference while creating new income opportunities.

About the AWB Course

When you have completed our 12 lesson condensed course and we register you as a AWB teacher, you will offered to teach workshops that are 3 days per week, for 4 weeks.

You will be able to choose the hours that you work and you will focus on teaching your students how to:-

- **Design websites**
- **Sell online**
- **Find and work with clients**

Students will gain practical, step-by-step training and receive an **AWB Certificate** upon completing a quick test. This certification allows them to also join our employment agency and start building websites for businesses and earning income right away.

The Course Structure that you will be teaching your students

The course is delivered in **12 classes** over 4 weeks:

- **Week 1: Getting Started**
Your Students will learn the basics of website building through video tutorials and live sessions.

- **Week 2: Hands-On Practice**

Students will create three sample websites using our Zylo platform, with expert feedback to refine their skills.

- **Week 3: Affiliate Marketing**

Discover how to earn commissions and create recurring income streams through affiliate marketing and eCommerce.

- **Week 4: Sales Mastery**

Learn from **Mr. Brown**, a successful entrepreneur, who will teach practical sales techniques to help students find clients and close deals.

What you as Teachers and Schools Gain

- **In-Demand Skills:** Learn website building, affiliate marketing, and sales—skills that are highly valued in today's job market.
- **Income Opportunities:** Earn by teaching, building websites, and receiving recurring income from hosting fees.
- **Support for Your School:** For every website sold by your students, AWB donates 50 pence (about 2,400 Ugandan shillings) to your school or organization.

For example:

- If 10 students each sell one website, your school earns **£5 (23,220 UGX)**.
 - If more websites are sold, the donations grow, helping to fund essential resources like computers.
